I.—SILVER STAR.—By direction of the President, under the provisions of the act of Congress approved 9 July 1918 (Bul. 43, WD, 1918), the Silver Star for gallantry in action during the periods indicated is awarded to the following-named officer and enlisted man:

Brigadier General *Macario Peralta, Jr.*, (then lieutenant colonel), Philippine Army, displayed gallantry in action, on 3 May 1942, while serving as Assistant Chief of Staff, G-3, 61st Division (Philippine Army), on Panay, Philippine Islands. He demonstrated conspicuous courage and resourcefulness in leading a patrol deep into Japanese-held territory to obtain information concerning the disposition of enemy forces. As a result of data obtained from a prisoner captured in a hand-to-hand skirmish with an enemy foraging detail, General *Peralta* was later able to prepare plans to effectively meet an attack launched against the division's position. General *Peralta's* courage and devotion to duty reflect the highest traditions of the military service.

Sergeant *Joseph J. Pogonowski* (Army serial No.), (then corporal), Infantry, Army of the United States, as light machine-gun section leader, Company K, 134th Infantry Regiment, on 26 April 1945, displayed gallantry in action near Kehnert, Germany. He was on guard at his outpost when an enemy force of SS Troopers crossed the Elbe River in a predawn assault and attacked his position. Immediately, he gave the command to open fire. When the number one gunner was hit, Sergeant *Pogonowski* fired the weapon himself against the attackers. Seeing a German lieutenant waving his handkerchief and advancing as if to surrender, he watched him sharply. When the enemy officer tried to hurl a grenade into the position, Sergeant *Pogonowski* quickly killed him. Refusing to leave his position and inflicting heavy losses on the enemy force, Sergeant *Pogonowski* did much to frustrate an enemy attempt to evacuate large quantities of arms and personnel across the Elbe River.

II.—LEGION OF MERIT.—By direction of the President, under the provisions of the act of Congress approved 20 July 1942 (sec. III, Bul. 40, WD, 1942) and Executive Order 9280, 29 October 1942 (sec. Colonel *Wilbur E. Dunkelberg*, , Infantry, United States Army. March to December 1942.

IV..DISTINGUISHED-FLYING CROSS.—By direction of the President, under the provisions of the act of Congress approved 2 July 1926 (Bul. 8, WD, 1926), the Distinguished-Flying Cross for extraordinary achievement while participating in aerial flight during the period indicated is awarded posthumously to the following-named officer:

First Lieutenant *Moody W. Hall*, , Air Corps, Army of the United States. 6 September 1943.

V..SOLDIER'S MEDAL.—1. By direction of the President, under the provisions of the act of Congress approved 2 July 1926 (Bul. 8, WD, 1926), the

Soldier's Medal for heroism not involving actual conflict with an enemy during the period indicated is awarded to the following-named enlisted man:

Master Sergeant *Oecil B. Steele* (Army serial No. _____), Corps of Engineers, Army of the United States, a member of the Shanghai Detachment, Station Complement, Army Advisory Group, distinguished himself by heroism, on 9 April 1947, in combatting a serious 15-hour fire which threatened to destroy valuable Government supplies and equipment at United States Army installations in Shanghai, China. At great personal risk, he voluntarily climbed a wet and slippery turntable ladder, which was in poor condition, to a height of approximately 70 feet, carrying with him a heavy pneumatic drill. At this precarious height and from an insecure support, Sergeant *Steele* drilled a hole through a heavily constructed brick wall. Despite flames, smoke, and gasses, he continued to enlarge the hole until it was large enough to get at the fire, thereby enabling firemen to effectively combat the blaze which had been raging unchecked. As a result of Sergeant *Steele's* heroic act, several hundred thousand dollars worth of Government property was saved.

2. By direction of the President, under the provisions of the act of Congress approved 2 July 1926 (Bul. 8, WD, 1926), the Soldier's Medal for heroism not involving actual conflict with an enemy during the period indicated was awarded by the Commanding General, European Theater, to the following-named enlisted man:

Technician Fifth Grade *Michael J. Halpin* (Army serial No. _____) (then private first class), Signal Corps, Army of the United States, on 8 May 1945, without regard for his own safety, volunteered at Munich, Germany, to rescue civilians from a dangerous zone where exploding ammunition had caused nearby tank cars to burst and pour blazing gasoline over the yards. He made repeated trips into the flaming area to rescue the dazed and wounded people. Technician *Halpin's* action reflects great credit on himself and the military service.

VI.—BRONZE STAR MEDAL.—By direction of the President, under the provisions of Executive Order 9419, 4 February 1944 (sec. II, Bul. 3, WD, 1944), the Bronze Star Medal for meritorious service in connection with military operations against an enemy of the United States during the period indicated is awarded posthumously to the following-named officer:

Lieutenant Colonel *Alfred W. Lawson*, _____, Air Corps, Army of the United States. August 1942 to May 1945.

VII.—BRONZE STAR MEDAL.—By direction of the President, under the provisions of Executive Order 9419, 4 February 1944 (sec. II, Bul. 3, WD, 1944), the Bronze Star Medal for heroic achievement in connection with military operations against an enemy of the United States during the period indicated is awarded posthumously to the following-named enlisted man:

Private *James A. Ryan, Jr.* (Army serial No. _____), Infantry, Army of the United States, a member of Company D, 502d Parachute Infantry, while acting in the capacity of platoon scout, displayed heroism on 6 June 1944 near Turqueville, France. He was fired upon by an enemy machine-gun outpost as he was crossing a hedgerow. Despite his exposed position, Private *Ryan* returned the fire and then reported to his platoon leader the location and disposition of the enemy. This information enabled the platoon to dispose of the enemy outpost without casualties. As the platoon continued its advance, Private *Ryan* resumed his position as scout and was again fired upon by an enemy group from behind

a hedgerow. Private *Ryan*, despite a heavy concentration of enemy small-arms fire directed at himself, returned the fire and, disregarding all thought of personal safety, advanced across the open field, firing as he went, to the hedgerow behind which the enemy was situated. Here he courageously and aggressively engaged the enemy group until he was killed. Private *Ryan's* action enabled his platoon to continue its advance while the enemy fire was directed on himself.

IX.—BRONZE STAR MEDAL.—By direction of the President, under the provisions of Executive Order 9419, 4 February 1944 (sec. II, Bul. 3, WD, 1944), the Bronze Star Medal for heroic achievement in connection with military operations against an enemy of the United States during the periods indicated is awarded to the following-named officers:

Lieutenant Colonel *Robert B. Hensley*, (then captain), Infantry, Army of the United States, displayed heroism in action against the enemy on 14 July 1943 near Grammichele, Sicily. The 3d Battalion, 179th Infantry Regiment, while in defensive position, was subjected to a strong attack by an enemy force estimated to be 2 infantry companies and 20 tanks. The attack was launched in the zone of Company K, with an enveloping movement around the right flank, which was held by Company L, successfully penetrating the battalion position. Colonel *Hensley*, commanding officer of Company L, through his perseverance, courage, selflessness, and forceful direction, moving about under heavy rifle, machine-gun, and 88-mm fire, without regard for his own personal safety, organized and successfully launched his company in counterattack, throwing the enemy into complete disorganization and causing them to withdraw in confusion with a great loss of personnel and tanks. The calm courage under heavy fire displayed by Colonel *Hensley* was an inspiration to his troops and of great importance to the success of the action.

First Lieutenant *Joseph Pessutti*, , Coast Artillery Corps, Army of the United States, a forward observer of the 1125th Armored Field Artillery Battalion, on 29-30 December 1944, distinguished himself by heroic achievement near Forte de Marmi, Italy. Then, despite a severe wound, Lieutenant *Pessutti* proceeded to lead the men from the precarious position, through icy waters and mine fields in enemy territory, to the safety of friendly lines. Lieutenant *Pessutti's* leadership and courage are in keeping with highest traditions of the military service.

Major *Charles P. Samson*, 022204 (then captain), Field Artillery, United States Army, as commander of Battery D, 24th Field Artillery (Philippine Scouts), on 1 March 1942, displayed heroism in action near Bagac, Bataan, Philippine Islands. During a heavy enemy shelling, he heard a man call for help and immediately left his position to investigate. Seeing a soldier who had been repairing telephone wires severely wounded by shell fire, Major *Samson* ran to the stricken man and, under the continuing enemy barrage, helped him to safety. Major *Samson's* personal courage and determination to aid his wounded comrade are in keeping with highest traditions of the military service.
