LISTS OF CAPTAINS ELIGIBLE FOR CONSIDERATION FOR TEMPORARY PROMOTION TO MAJOR

GENERAL	-----	Section
PROMOTION LISTS	-----	I
		II

I. GENERAL.—1. Reference is made to paragraph 1a(2), section I, DA Circular 14, 1953, announcing primary zones of consideration for temporary promotion to the grade of major. These zones include all officers of the following promotion lists serving on active duty on 31 December 1952, in the grade of captain, who completed minimum active service in such grade prior to that date as indicated below:

	Years
Army	5
Judge Advocate General's Corps	4
Chaplains	7
Women's Army Corps	5
Women's Medical Specialist Corps	5

Active service in grade is computed from active duty date of rank in the grade of captain.

2. Department of the Army records indicate that the captains named in section II are within the announced primary zones of consideration. Commanders responsible for the maintenance of organization copies of DA Form 86 (Officer's, Warrant Officer's, and Flight Officer's Qualification Record) will cause the list to be checked with organization copies of Forms 66, and a notification of any errors in dates of rank or omissions of names will be forwarded to The Adjutant General, ATTN: AGPO-P, not later than 30 April 1953. Any officer who believes he falls within the primary zone of consideration and who is not included in the list or any officer listed whose date of rank is erroneously recorded will so notify his unit personnel officer. The above procedure is exempt from reports control under paragraph 4c, AR 305-15.
