1. Recommended list.—The approved recommended list of officers of the Army promotion list, selected in accordance with section 509, Officer Personnel Act of 1947 (61 Stat. 894; 10 U. S. C., 559c), for promotion to the permanent grade of Captain, Regular Army, is announced in the order of their seniority. All officers named in this list will be nominated for promotion at the appropriate time and, upon appointment in the higher grade, will rank in permanent grade in the seniority sequence in which their names appear in paragraph 3.

2. Physical examinations required for promotion.—All officers listed in paragraph 3 are required to take a physical examination in order to qualify for promotion (par. 9, AR 40-100). Report of physical examination prepared on Standard Form 88 (Report of Medical Examination), or a certificate to the effect that a final-type physical examination has been accomplished within 1 year, will be forwarded to The Surgeon General, Department of the Army, Washington 25, D.
